

AASSA & Edmentum Virtual School partnership

Who We Are

We are committed to making it easier for educators to individualize learning for every student through:

1

Digital curriculum that is rigorously aligned to international standards and used in blended and virtual learning environments.

2

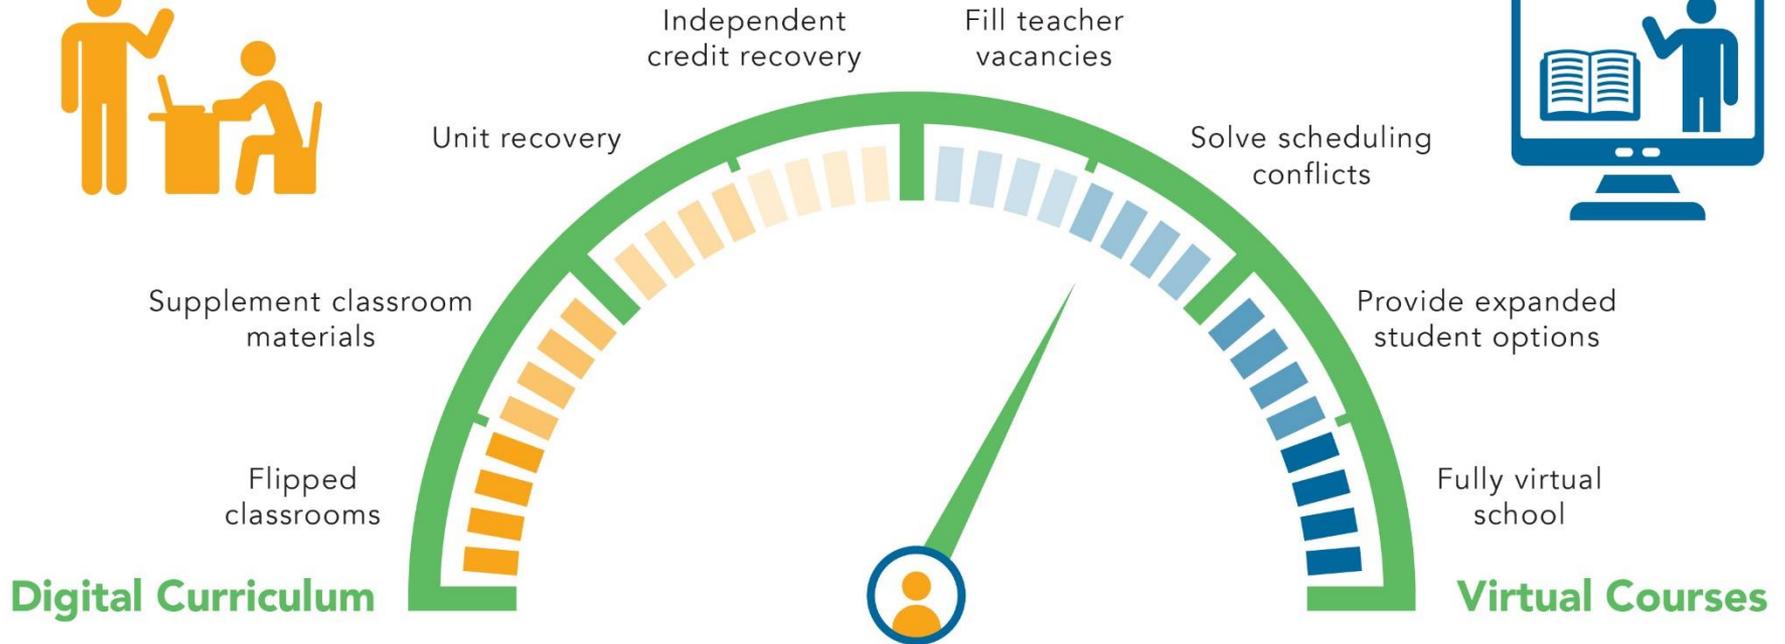

Assessments supported by strong validity and reliability, used for classroom practice, formative assessment, and benchmarking.

3

Managed services and consulting for comprehensive program design, implementation, support, and evaluation.

Gear Up Your Virtual Learning Program

A Fully-Accredited Virtual School Program

Quality Matters

K-12 Secondary
Publisher Program
2014

Needs going into next school year

Scaling for the efficient delivery of Blended/Virtual Instruction

Teachers needed

- **Assign an Edmentum Certified Teacher to any of our 400+ courses**
- U.S. certified teacher with curriculum assigned to students
- 36/1 student to teacher ratio
- Can be used for individual courses or for a “fulltime enrollment”

Building Capacity

- **Professional Development for your staff to deliver online content**
- Your teacher is assigned a “mentor teacher”
- Your teachers complete a professional development plan, receiving a certification at completion.
- Access to online curriculum to deliver to your students through a blended or virtual environment

Instructional Support

- **Teacher assistance to ensure classroom success**
- Access to online curriculum for grades k-12
- Edmentum’s teachers will grade all material and provide feedback, while your teacher facilitates the classroom.
- All students receive a certificate of completion when they finish a course.

Tutoring

- **Additional student assistance to increase student engagement**
- Free to any student that is taught by Edmentum’s teachers
- For an additional fee tutoring can be extended to 24/7
- Tutoring can be purchased to be used with or without Edmentum teachers
